ConocoPhillips Awards More Than \$227,000 in Grants to Eagle Ford Area Organizations

KENEDY, Texas – ConocoPhillips announced the presentation of \$227,400 in charitable grants to 36 organizations in the Eagle Ford area.

“As we deliver on our commitment to responsibly provide energy, we also strive to be an active and valued member of the communities in which we live and operate,” said Randy Black, manager, Eagle Ford operations. “This year’s grant recipients include area volunteer fire departments, educational institutions, emergency services and various other civic organizations, and we are pleased to be able to help these organizations continue their mission and in the community.”

Each year, ConocoPhillips invests in local communities through charitable giving, employee volunteerism and sponsorships. Our donations support education, health and safety, natural resources, the arts, civic and social services and disaster relief.
